Regional Community Resource Guide

*Prepared by the North East Public Health Coalition
Regional Public Health Specialist*

This resources guide was designed to assist the communities in the Merrimack Valley by connecting residents with essential services and support.

Inclusion in this roster does not constitute an official endorsement by the North East Public Health Coalition. Please note that the list may not include all available resources, as programs are subject to revisions. The resources featured here are updated bi-annually to the best of our ability.

For inquiries regarding updates, reporting outdated information, or seeking additional assistance, please contact the Regional Public Health Specialist at slafreniere@tewksbury-ma.gov.
